

INTERNATIONAL PLASTIC BAGS FREE DAY OBSERVED, COVID POSITIVE INMATES FED ON BANANA LEAVES

Press Release from the Principal Lilong Haoreibi College, the 3rd July 2021

No. LHC/12/2-4/COVID: As it is done elsewhere in the world, Lilong Haoreibi College Internal Quality Assurance Cell and Students Union jointly observed the International Plastic Bag free Day on the 3rd July 2021 by using banana leaves in packaging food items. The Students Union packed the samosa and jallibi items in banana leaves and distributing to the 59 inmates of the COVID CARE CENTRE opened at the College hostels by maintaining social distancing and wearing face masks. The students also spread awareness to the COVID positive inmates to maintain physical and mental strengths with the slogan “No to plastic bags and yes to the natural containers”. Later, the IQAC of the college organised a zoom webinar on the international plastic bag free day. The Forest Range Officer and Environmentalist of Kakching District Shri. N. Munal Meitei attended as the Resource Person and Principal of the College Dr. Rahejuddin Sheikh hosted the webinar.
